

REGISTER OF MEMBERS' INTERESTS

GENERAL NOTICE OF REGISTRABLE INTERESTS

[CODNOR PARISH ^a] Council's Code of Conduct adopted on [2012 ^b]

I, Councillor CELIA MARY COX

being an elected member or co-opted member of [CODNOR PARISH ~~CO~~ ^a] Council (the Council) give notice to the Monitoring Officer of Amber Valley Borough Council of the following disclosable pecuniary interests in Part A, as required by the Localism Act 2011, The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 and other interests in Part B, as required by the Council's Code of Conduct.

Disclosable Pecuniary Interests

The Secretary of State has issued Regulations setting out what constitutes a "disclosable pecuniary interest". They relate not only to your interests but also to those of your partner (which means spouse or civil partner, a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners).

However, when completing the form, you do not need to necessarily differentiate between those interests which apply to you and/ or those which apply to your partner.

Sensitive Interests

If you consider that information relating to any of your interests is a 'Sensitive Interest' you need not include that interest provided you have consulted with the Monitoring Officer and he agrees that it need not be included.

A 'Sensitive Interest' is an interest which could create or is likely to create a serious risk that you or a person connected with you may be subjected to violence or intimidation.

Where the interest is no longer a 'Sensitive Interest' you must notify the Monitoring Officer within 28 days of that change.

Words in italics give some explanation/ background about what is required. This form gives general guidance, but is not comprehensive.

Please answer ALL questions, stating "None" where this is appropriate.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both primary and secondary data collection techniques. The primary data was gathered through direct observation and interviews, while secondary data was obtained from existing reports and databases.

The third section details the statistical analysis performed on the collected data. Various tests were conducted to determine the significance of the findings. The results indicate a strong correlation between the variables studied, suggesting that the observed trends are not merely coincidental.

Finally, the document concludes with a series of recommendations based on the research findings. These suggestions are aimed at improving the efficiency of the processes being studied and addressing the identified areas of concern. It is hoped that these insights will be valuable to the organization and its stakeholders.
