Notes for applicants

1. Codnor Parish Council welcomes applications from voluntary bodies for a grant to be used for the benefit of residents of the village.
2. Decisions about grants are made twice a year, at the council meetings in July and December.
3. Organisations are advised to submit their applications at least a month before the relevant meeting. The Council may wish to contact you to clarify what you have said on the form.
4. The council has limited resources and is subject to legal constraints on how it uses taxpayer's money. Clear statements about how the money will be used will help the council in making its decision about the application.
5. Clear statements about funds currently held, other sources of funding, and how a grant from the Council will be used, will help the Council in making a decision.
