76/23 Leaders Report

Once again Codnor has put on another excellent event on in the village and I would like to congratulate all the groups and people involved in organising the Fete yesterday.

The chair has suggested that we should look at providing Emergency Bleed Control Kit next to our Defibrillator which is happening in a lot of areas and I would like to ask the clerk to make enquiries to see how much they cost including any maintenance costs going forward,

In view of the Electoral Commissions review of the Boundaries of Derbyshire County Council which is currently out for public consultation I would recommend a response along these lines.

(1) Codnor Parish Council supports the current position of having 1-member Divisions

(2) Merge the newly allocated Amber Valley ward of Codnor Langley Mill and Aldercar with Loscoe to form one division.

This, Is consistent with the Commissions review of the Borough Council Wards and It also reinstates a connection between Langley mill and Aldercar and Loscoe areas which has existed previously as a County Council Division

Lastly, it's that time of the year again when we have to submit the forms for our Bonfire & Fireworks to music event, I would also at the same time request the clerk to invite the Mayor of Amber Valley to attend and judge the best Guy Fawkes competition and light the bonfire this year.

77/23 Environmental Matters
None.
